Overview

EGM Contractor, established in 2018, is dedicated to forging enduring relationships with discerning clients by consistently surpassing expectations through unparalleled craftsmanship. With a proven track record, we've installed a myriad of roofing systems, including shingle, slate, shake, GAF Liberty flat roofs, as well as provided services in gutters, siding, windows, and more, spanning Maryland, Virginia, and Washington DC. At EGM Contractor LLC, we pride ourselves on our ability to deliver prompt, professional, and efficient results, fueled by an unwavering commitment to quality.

Experience and Services

At EGM Contractor, we bring our own team of supervisors and skilled craftsmen to every project, ensuring meticulous attention to detail and comprehensive oversight throughout. With six years of experience as subcontractors for esteemed companies like Feazel Roofing, Shanco Roofing, and Roof Masters, we've honed our expertise and garnered invaluable insights to deliver unparalleled service and professionalism to our clients.
